7. What has your experience been like with Canvas so far? If you have taken a course with Blackboard before, please let us know which system you prefer and why. Thanks!

- Satisfactory: Canvas is much easier to use.
- I actually really like Canvas, a great way to interact with your peers while out of class. But I am not familiar with Blackboard enough to say which I like most.
- I have used the discussion boards, taken a quiz, so far. I have taken several classes using Blackboard and it seems to harder every semester. Even though I have limited use using Canvas I already prefer it over Blackboard.
- This is my first time using Canvas as well as Blackboard. I have adapted to Blackboard a lot easier than Canvas. Canvas is somewhat confusing to use, therefore it's taking...
1. What kind of course are you taking in Canvas?
