CHARM TOTE BAG

The front and back pieces of this bag are constructed with 5” charm squares. You can purchase a Charm Pack, however they typically contain 40-42 pieces. You will need 6-8 more 5” squares to go with your charm pack. One or two fat quarters will work as well.

MATERIALS LIST:

44 - 5” squares for body of bag; front and back

1½ yards for the lining and handles and optional tab closure

1½ yards light (thin) batting; (you can also use a light weight fusible batting for a little more stability)

Walking foot if you have one to quilt the front and back pieces

Thread for the quilting
