| **Students who miss any of the sessions OR are late to any class** | **IMPORTANT**  
If a student misses a classroom or range session, or voluntarily withdraw, or is dismissed because of improper clothing, or is late to class, and wish to register for another class, may register one additional time after paying a $125 processing fee within one year of original class start date. In other words – Don’t miss a class or be late, and make sure you have the proper clothing or it will cost you an additional $125 to sign up again!  
It’s the student’s responsibility to call Community Education to reschedule. |
|---|---|
| **Students who are unsuccessful in the knowledge or skills test** | **Re-take**  
A failing student is a student who is unsuccessful in completing the knowledge/written and or skills/riding test. At the instructor’s request, those who fail the final knowledge or skills test may register one additional time within one year of original class start date for free. If the instructor decided for safety reasons it would be unsafe for a student to return to class.  
In the event a student fails either the knowledge test or the skills/riding test, the student is permitted one re-take at no additional cost. The instructor will determine if the student must redo the entire class, or just the testing. The entire test must be taken within 30 days of the original failed test date. |
| **Instructor dismisses a student** | **Persons who park on campus are required to pay a fee on week days. A daily parking ticket may be purchased from any campus parking ticket dispenser, located in the parking lots, for a fee of $2. Parking fees do not apply on Saturday or Sunday.**  
If an instructor dismisses a student on the grounds of committing an intentional unsafe act, **NO refund will be granted.** Intentional unsafe acts may include, but are not limited to:  
Not following safe riding guidelines set forth at the beginning of the class and at the beginning of each exercise  
Intentionally operating a motorcycle in a manner or at a speed that is unsafe to the student and the class  
Intentionally damaging property belonging to MJC or another student
