The Requirements:

- Must be 18 years of age or older by completion of the program
- Must possess a High School Diploma or a GED Certificate
- Must possess a Social Security Number
- Reading Requirement: Have an AA degree or higher from a U.S. College OR you must take the MJC Reading Accuplacer test and obtain a score of 70 or higher OR successfully completed Reading 82 or higher with a “C” or higher. Additional information listed on back
- Math Requirement: Pass Pre-Qualifying Exam with a 60% or higher
- Meet Prerequisites listed below

Prerequisite: explanation of prerequisites listed on back

- Have taken and passed AP 50 (Elementary Human Anatomy and Physiology )
- Completion of Pharmacy Math Calculations Module with a competency examination score of 70% or higher
- Pass Qualifying Pharmacy Math Competency Exam

To be registered with the California Board of Pharmacy you must pass a fingerprinting and criminal background check. The State of California may deny you registration if you have a felony conviction.
Prerequisites: Explanation of how to meet prerequisite

AP 50
- Have taken and passed AP 50 (Elementary Human Anatomy and Physiology)
- If you have taken AP50 (Elementary Human Anatomy and Physiology) at a different college you will need to submit a copy of your transcripts and have them cleared by Martha Rice at 575-6885, or contact her via email: ricem@mjc.edu
- If you have not taken AP50 but would like to please sign up for the Interest list by calling Martha Rice at 575-6885, or contact her via email: ricem@mjc.edu

Math Calculations Module
- This is a non-unit class that meets for 54 hours and is covered in the program tuition.
- However, student must finish the Math Calculations Module AND pass the Qualifying Pharmacy Math Competency Exam with a 70% passing rate to enter core pharmacy program. Qualifying Pharmacy Math Competency Exam is given at the end of the 54 hour class.
- Those who don’t complete the MCM or fail to pass the Qualifying Pharmacy Math Competency Exam with a 70% will be issued a prorated refund.

Completion Requirements: You must attain a C average or better in quizzes and examinations for all instructional modules and complete all laboratory & experiential work with a grade of S (satisfactory) or better to be eligible for MJC certification. MJC certification meets the CA State Broad of Pharmacy requirements for registration as a pharmacy technician.

Drop or Repeat Course Policy: Students may withdraw registration for the program on or before the official drop date. Tuition paid will be refunded less a $1,500 administrative fee.

Students in good standing may drop the course after the official drop date for personal reasons with approval of the Program Director. Tuition will not be refunded. Students who withdraw under these conditions may reapply for the following course offering and will have priority status with the Admissions Committee.

Students who do not complete all requirements—pass the pharmaceutical calculations exam with a 70% or higher, attain a grade in the 60th percentile or better on all classroom work, demonstrate competency in all online, laboratory and externship requirements (including completing externship within one year of Externship start date)—may reapply one time only for the next class offering and will be evaluated for readmission without special consideration. There is no guarantee that students in this status will be readmitted to the program. If the student is readmitted, he or she will be required to repay the full tuition amount and comply with all course requirements.

Refund Policy: Students who pay the entire registration may drop on or before the official drop date for any reason. Tuition paid will be refunded less a $1,500 administrative fee.
