* IMPORTANT * IMPORTANT * IMPORTANT *

Community Education realizes that extenuating circumstances do arise. However, Community Education does not receive tax support. Your enrollment pays the cost of the program. In many cases, we are unable to recoup the costs incurred if you drop a class after the drop date. In regard to this, we have established the following policies:

Students who miss any of the sessions (classroom or riding), voluntarily withdraw, or are dismissed because of improper clothing, or are late to class, and wish to register for another class, may register one additional time after paying a $100 processing fee within one year of original class start date. (In other words – Don’t miss a class or be late, and make sure you have the proper clothing or it will cost you an additional $100 to sign up again!)

Students who are dismissed at the instructor’s request, or who fail the final written or driving test, may register one additional time within one year of original class start date without a registration fee. If the instructor decided for safety reasons it would be unsafe for a student to return to class, a full refund will be given.

If the instructor dismisses a student on the grounds of committing an intentional unsafe act, NO refund will be granted. Intentional unsafe acts may include, but are not limited to:

- Not following safe riding guidelines set forth at the beginning of the class and at the beginning of each exercise
- Intentionally operating a motorcycle in a manner or at a speed that is unsafe to the student and the class
- Intentionally damaging property belonging to MJC or another student
- Verbal or physical altercations with an instructor or another student.

IT IS THE STUDENT’S RESPONSIBILITY TO CALL COMMUNITY EDUCATION TO RESCHEDULE AT (209) 575-6063.
