Kristi Payne-Victorino

Kristi was born and raised in Modesto.

She has been married to Chris Victorino for 16 years and am a proud mom of twins.

Kristi has worked in education for 20 years serving as an administrator, teacher, and coach.

She considers herself a lifelong learner.

Kristi graduated from MJC and CSU Stanislaus with a BA in Psychology. She studied Administration: Health, Athletics and Recreation in graduate school. She is a Certified Personal Trainer and is passionate about providing support and encouragement to people who want to improve their health and fitness.

Her favorite pastimes include: trail running, traveling, outdoor activities, and rooting for local sports teams.

She says her favorite words to live by: “Whether you think you can or think you can’t, you’re right.” – Henry Ford

From Kristi:
“I enjoy working for community education because I love connecting with other lifelong learners and sharing my experiences. It brings me great joy to see my students crossing the finish line or achieving something they never thought possible.”
