Information for MJC Camps for Kids

Read Carefully

What is MJC Camps for Kids?

This is the 9th year we have had a MJC Camps for Kids at MJC Community Education. We provide safe activities for summer fun and learning. We have camps to accommodate ages 4-12. Our camps are designed to stimulate curiosity, reinforce basic skills, and help kids discover new subjects and, most of all, help your child have a fun summer! Camps are held during the day, Monday-Friday. Camp times vary by age and activity. Check your camp schedule.

What time can I drop my child off for camp and pick him/her up?

You may drop off up to 15 minutes prior, and must pick up by 15 minutes after.

If you know that your child will not be keeping regular camp hours, please call us at (209) 575-6063 to let us know. If your child will be picked up early, besides calling us, please also write a note and have your child give it to the Camp Coordinator upon arriving at camp to minimize class disruption. If you need to call the camp location during camp hours please call the Community Education office at 575-6063 - office staff will get the message to the camp coordinator.

What should my child bring to camp?

Each child should bring a water bottle to camp. If staying a full day, please send your child with a brown-bag lunch. **PLEASE PUT YOUR CHILD'S NAME ON LUNCH BAG AND DRINKS.**

Where will the camps be held?

Regular camps will be held in Wawona 1 & 2 - on the West Campus off of Blue Gum Avenue. Operation Animation and 3-D Programming will be held on East Campus off of College Avenue in Classroom Annex 101. See attached maps.

Does my child need to be signed in and out?

Yes. Your child's safety is of utmost importance to us. Children must be signed in on arrival. At pick-up time **please show your ID.** We want to ensure only authorized persons pick up your child. Please do not arrive any earlier than 15 minutes prior to class, or pick up your child any later than 15 minutes after camp.

Refund Policy

Please choose carefully – because this is such a large program, we will not be able to offer refunds, transfers or credits, unless we are able to fill your child's seat from the wait list. In the event we are able to accomodate your request, there will be a $20 processing fee.

Policy on Behavior

All campers are expected to conduct themselves in a manner that demonstrates courtesy and respect for others, projects, and the facilities. There is a Student Conduct Form in your Campers' Packet, which needs to be signed by you and your child(ren) before they can begin camp. Please review this behavior policy with your child so all children have an enjoyable experience. If there is a behavior issue, the instructor will issue a verbal warning, and a behavior form will be sent home for you to sign. Disruptive students will be dismissed from the program, without a refund, and the parents will be contacted to pick them up.

Will my child be supervised?

Yes, at all times. There will be an instructor in class with your child at all times. In addition to the instructors, there will be camp counselors who will work in the classes as needed.

How many students are there in each class?

Class maximums vary by age group, camp theme and activities change; maximum range from 12-25 students. If a camp is full, please add your child to the wait list, as we may add an additional class.

May I attend class with my child?

No, sorry. We ask that you do not go into the classroom while camp is in session so the instructor and students are not disrupted. Our instructors and staff have passed clearance to work with children to ensure their safety. Many camps have either projects to take home or presentations that will be given on the last day of camp, which you will be invited to attend.

What if my child becomes sick?

If your child has a temperature or is complaining of an upset stomach, ear ache, severe cold, undetermined rash or other symptoms of illness, he/she will be removed from class and you will be contacted to pick up your child.

Camper Conduct Form

In an effort to guarantee an atmosphere that is enjoyable and conducive to learning, all Camps for Kids participants must follow a specific code of conduct. Proper student conduct is expected the entire time a student is on campus. This includes from the time the student arrives until departure, including all class periods, lunch and breaks. It is important that the parent or legal guardian and student understand this expectation to insure the safety and an enjoyable time for all participants. In addition, all students must be signed in and out by their parent, legal guardian or person(s) listed. The information on this form will be valid for any and all camps the child attends.

The MJC Camps for Kids staff promises to deliver the best programs we are capable of providing. In exchange, we expect that all students, regardless of age or ability, will:

- Attend classes on time (children coming late is disruptive to the entire class).
- Obey classroom rules listed below (will be reviewed in class with students on the first day)
  Treat fellow students with respect and understanding. Respect classmate's projects.
  Keep hands to self
  Show respect to teachers and counselors. Respect facilities.
  No running in building.
  No disruptive noises such as loud talking, screaming, or banging on desks.
  If a child brings a cell phone, they are to have it turned off during class. No audible devices.
  NOTE: Community Education is not responsible for items your child may bring to camp, including cell phones.

  No skate-shoes allowed.
  Do not use inappropriate language.
  The classes are designed for the children to be kept busy, have fun, and to make friends.

In the event that there is a behavior/discipline problem, the following process will be applied and a behavior form will be sent home with the child. The parent will need to sign and discuss with child and send back the next day at check-in.

- The instructor will issue a verbal warning and a phone call will be made informing the parent/guardian of the problem. The behavior form will be sent home with the child.
- If the problem occurs again, the student will be dismissed from the program.
- No refund will be processed in the event of dismissal.

I have read the Student Conduct Rules listed above and have reviewed and discussed it with my child. We understand expulsion may occur if my student willfully or persistently violates any of these rules. I further understand that there will be no refund if my student is dismissed from the program due to behavior/discipline problems.
