ATTENTION!!
We are looking for a few good students to hire!

Did you know?
Work study positions are beneficial to the student because:
- They are on-campus, which eliminates the cost of transportation to work
- Your employer will work around your schedule instead of you having to schedule your classes around your work hours
- They are in a clean and professional learning environment

We are currently looking for students to work in the following areas:
- Division Office (FH 200)
  - Greet the public, answer questions, and complete projects
- Integrated Learning Centers (East and West Campuses)
  - Greet students, make appointments, answer questions, and clean work areas
- Computer labs (Founders Hall and Sierra Hall)
  - Assist students and faculty with computer software and clean work areas

If you qualify for student employment* and are interested in working here please download and complete the Lit & Lang Employment Application.
Bring the completed application and your resume to our Division Office, East Campus, Founders Hall 200. Our committee will review your application and resume. If you meet all of the qualifications, we will contact you for an interview.

*To be eligible for employment you must:
- Be a current student at Modesto Junior College enrolled in a minimum of 6 units
- Qualify for Federal Work-Study

Not sure if you qualify for Federal Work Study? Visit studentservices/financialaid/workstudy for more information.

Note: Salary is determined by the Federal Work Study program.
It is currently $8.00 per hour.

We look forward to having you join our team!
