

Multiple Measures (Math)

Today's Date: _____

Submit completed form with supporting documentation to Enrollment Services. Forms will be processed within 3-5 business days.

Student Information

First Name: _____ Middle Initial: _____ Last Name: _____

Student ID: w _____ Phone Number: _____

If you have satisfied one of the following options, you will be eligible to enroll in college-level Math without taking the MJC placement test. If you have already taken the MJC placement test, you will be eligible for approval as long as you haven't started the Math sequence.

Please complete this form and attach supporting documents. (i.e. high school transcripts, test scores) that indicate you have satisfied one of the options below:

Option #1 High School GPA:

- High school cumulative GPA of 3.0 -3.2 (within the last 10 years) **AND** successful completion (Grade = C or better) of Algebra II*. You will be eligible to enroll in Math 101, 105, 111, 130, or 134.
- High school cumulative GPA of 3.3 or better (within the last 7 years) **AND** successful completion (Grade = C or better) of Algebra II*. You will be eligible to enroll in Math 101, 105, 111,130, 134,138, or 161.

Option #2 Satisfaction of two or more other Multiple Measures with at least one from group A and one from group B: (You will be eligible to enroll in college-level Math 101,105, 111, 130, 134, 138, or 161).

Group A

- Completion of MJC Math Assessment
- High school cumulative GPA of 3.0 or better
- Successful completion (Grade = C or better) of Algebra II*

Group B

- EAP score of "Exempt" or "Ready" for college-level Math courses.
- EAP score of "Conditionally ready" or "Conditional" for college-level Math courses **AND** successful completion of a CSU approved 12th grade math course that requires Algebra II as a prerequisite.
- SAT score of 550 or above in Mathematics or Reasoning (test dates prior to March 2016).
- SAT score of 570 or above on the Math Section (test dates March 2016 and after).
- Score of 23 or above on ACT Mathematics Test (within the last 5 years).
- ELM score of 50 or higher (within the last 5 years).
- CLEP score of 50 or above on College Algebra.
- Score of 3 or above on the Calculus AB, Calculus BC, or Statistics AP Exams.

*Other Math Options: Advanced Algebra, Integrated Math III, Math Analysis, Finite Math, Pre-Calculus/ Trig, Calculus or AP Calculus.

Please note: If you received a score of 4 or above on either Calculus AB or BC AP Exams, you are eligible to enroll in MATH 172; additionally, if you received a score of 5 on Calculus BC AP exam you are eligible to enroll in MATH 173 and do not need to complete this form. Contact our office for more information.
