Improved planning, data collection, analysis and communication empowers faculty, staff and administrators to make informed, evidence-based decisions that increase student success.

Cultivating the six guiding principles for Student Support (Re)defined creates a campus environment where students are directed, focused, nurtured, engaged, connected, and valued.

Integrated, holistic, academic and student support services remove barriers to access, retention and student success.

Clear educational pathways to transfer, completion of degree/certificate, skill-building, and/or other educational goal attainment shorten time to completion.

Modesto Junior College (MJC) is committed to the development of a “student focused culture” that increases access, improves student success, and closes achievement gaps from the moment a student initially engages with the College through the completion of their educational goal(s).
