The Chancellor shall establish procedures to ensure that all Yosemite Community College District students are provided with either a written syllabus or electronic version during the first week of classes.

Adopted: August 13, 2008
4-8065  Syllabus

Yosemite Community College District faculty will provide their students with a syllabus, either hardcopy or electronic, during the first week of class. They will also provide a copy, either hardcopy or electronic, to the appropriate division office by the first census date for each class.

Procedure Last Revised: February 11, 2009
