Job Duties and Responsibilities
Athletic Trainer: Two Sports: Women’s Volleyball and Men’s Basketball
• Under minimal direction, provide for an effective and efficient program of
  first aid emergency care, injury prevention, athletic training and
  preconditioning for student athletes in intercollegiate sports activities.
• Provide initial evaluation and emergency first aid for athletes requiring such
  care, including determination of follow-up care.
• Maintain student athletes’ health records; assist with required team pre-
  season screenings; maintain inventory of equipment and supplies; help prepare orders
  for athletic training supplies.
• Under the direction of the team physician, design, develop, and supervise
  conditioning and reconditioning programs for the student athletes.
• Responsible for daily maintenance and operation of the Athletic Treatment
  Room.
• Responsible for recognition of injuries or conditions which would require
  appropriate care based on the findings.
• Determine appropriate therapeutic uses such as ultrasound, electrical
  stimulation, hydrotherapy, and therapeutic exercises.
• Function as liaison between physicians, other Athletic Trainer, coaches,
  student athletes and administration.
• Provide care for student athletes as it pertains to their participation in our
  sports programs, this includes pre-participation health screenings, in-season
  care in preparation for their events, both practice and competitions.
• Attend assigned sporting events and perform emergency first aid in the event
  of injury to players; administer CPR or AED, clean, dress and bandage minor
  cuts, bruises, lacerations, abrasions and blisters.
• Educate student athletes and athletic training students on how to clean and
  dress minor cuts, bruises, abrasions and blisters to avoid infection.
• Provide athletic training coverage for all home/hosted contests as described by
  the CCCAA bylaws.
• Design and administer a concussion management plan that reflects current
  standards and practices regarding concussion management.
• Ability to educate student-athletes and athletic training students about various injuries, illnesses, anatomy and physiology of injuries and illnesses.
• Ability to recognize severity of injury and refer athletes to appropriate medical personnel.
• Assist in mentoring student interns as they work under the athletic trainers’ supervision, in the Athletic Treatment Room and at events.
• Provide care for visiting teams pertaining to taping and injury care.
• Provide follow-up care to athletes as directed by physicians within the scope of duty for an athletic trainer.
• Answer any questions or concerns that both the men’s and women’s equipment attendants might have, in order to assist them with questions pertaining to any and all equipment that is assigned to the student athletes for their sports participation.
• Travels with athletic teams when necessary.
• Provide information to the coaches that will assist them on current trends in the areas of nutrition, stretching, and general care for their athletes.
• Maintain the Athletic Treatment Room in a clean and sanitary condition.
• Perform related duties as assigned

Biology, Health, or Nutritional Science/Dietetics Instruction:

• Teach up to a 65% FT faculty load (6 to 10 units) in either the Biology, Nutrition, or Health Science areas.
• Work with the area dean on scheduling and evaluating of offerings.
• Teach a variety of courses within the disciplines qualified each academic year.
• Teach courses in multiple modalities; traditional or live courses, online, and hybrid.
• Perform other duties such as curriculum development, assessment, and input for program improvement and development.
• Assume supplementary faculty responsibilities such as participation in faculty, department and college committees, hold regular office hours, assist in budget preparation, participate in staff development activities, and perform other job related duties as assigned.
• Attend faculty in-service training before the spring semester begins.
• Maintaining course files, student records as it pertains to the teaching assignment.
• File student grades in a timely manner.
• Working with other faculty, staff, and administrative personnel on matters of college governance.
• Work successfully with diverse student interests, age levels, and ethnic backgrounds.
• Assignment is primarily on the Columbia College campus, but some courses may be offered at outreach off campus locations.
• Teaching schedule may include evening/ weekend and or summer assignment.
• Perform other duties as assigned.
Preferred Qualifications

• Experience as an Athletic Trainer at the collegiate level.
• Experience as a part-time or full-time instructor at the collegiate level.
• Strong work ethic
• Professionalism, ethical behavior
• Student advocate
• Strong interpersonal skills and ability to work effectively in a team environment
• Ability to operate effectively in an environment of change and diversity
• Vision and energy to plan and organize programs to enhance student success
• Willingness to participate effectively in shared governance
• Enthusiasm for athletic training and the subject matter in the classroom.

• Commitment to recruiting students and expanding the student Athletic Training program.
• Knowledge of first aid and athletic taping; knowledge and ability to work with the team physician in injury care; modalities used in injury care.
• Ability to work with both men and women’s athletic programs; communicate with coaches and staff members; handle equipment and supplies used in the sports medicine setting.
• Ability to instruct and evaluate students effectively in the college classroom.
• Ability to communicate clearly with students and staff, both orally and in writing.
• Ability to establish and maintain effective working relationships with students, staff and the college administration.

Desirable Characteristics

• Ability to develop curriculum or services that stress innovation and multicultural emphasis.
• Enthusiasm for the learning process.
• Commitment to supportive relationships with students.
• Willingness to experiment with teaching methods to accommodate various student learning styles.
• Participate in professional growth and remain current in subject matter.
• Ability to operate effectively in an environment of change and ambiguity.
• Vision and energy to plan and organize programs to enhance student success.
• Willingness to participate effectively in shared governance.
• Personal qualifications such as: effective interpersonal communication skills, participation in community affairs, ability to conduct effective public presentations.

Additional applicant portal info (Appears above Position Description)
Closing Date: Monday, June 5, 2017 by 11:59 pm
Applications are accepted online only at:
https://www.yosemite.edu/recruitment/employmentopportunities/
Select Job Openings, Select Search Jobs, Select Job Title, Create an account and Apply to this job.
Please note: The District does not integrate with the third party service of Interfolio; therefore, reference letters must be submitted along with the application documents required.
FOREIGN DEGREES: Applicants with foreign degrees from colleges or universities outside of the United States must have their coursework evaluated by a professional association. A copy of the evaluation must be attached during the application process. An ORIGINAL of the evaluation(s) must be presented at the time of hire.
EQUIVALENCY:
District has adopted equivalency procedures which enables applications by individuals not possessing qualifications listed above. For more information on equivalency, go to https://www.yosemite.edu/recruitment/equivalency_policy_and_procedures
Choose: Equivalency Policy and Procedures. When requesting equivalency, attach a completed “Determination of Equivalency” form along with the equivalency application documents required.
The screening committee will evaluate all applications. Those applicants selected for personal interview will be notified by letter or phone. In accordance with Board policy official offers of employment will be made only by the Chancellor or Vice Chancellor/Human Resources, YCCD. Final appointment is subject to confirmation by the Board of Trustees.
Federal law requires the District employ only US citizens and aliens authorized to work in the United States. Written verification of employment eligibility is required.
NOTE: A background investigation of new employees is required, including reference checks and a state criminal history report. Employment will not begin until the history check has been cleared by Human Resources. The cost for the criminal history report will be the responsibility of the successful candidate. The District may hire more than one applicant with this applicant pool. YCCD is an Equal Employment Opportunity Employer.
