Vision care and dental insurance premiums for the employee and dependents is District paid. Income protection and life insurance premiums for the employee are also District paid.

Job Description:
Under the supervision of the Vice President for Instruction, develop, coordinate, and implement training and support for faculty teaching online. Develop and offer faculty workshops and online tutorials incorporating technological, and instructional best practices; develop training materials, including syllabi, learning outcomes, and visual aids for faculty workshops; identify the best online faculty training materials, coordinate online teaching certification; provide ongoing support related to online and hybrid course delivery; analyze and evaluate relevant equipment, software, and Learning Management Systems with an emphasis on open source material.

Develop and offer online student orientation materials for students wishing to study online. Develop minimum standards for students to enroll in online courses. The successful candidate will work closely with faculty and administrators to help them ensure academic quality of all courses delivered in an online or hybrid environment.

This is an 11 month appointment.

Job Duties and Responsibilities:
- Design and deliver training related to high quality, effective online technology-enabled teaching and learning initiatives.
- Provide training to increase distance learning success rates of students who come from a non-traditional, ethnically diverse college population.
- Coordinate faculty online certification process.
- Participate with MJC DE staff and others in the coordination and delivery of college online initiatives.
- Advise and assist Subject Matter Experts in developing and revising course content that meets course learning objectives and outcomes, integrating rich media to enhance student interaction and learning, adapting instructional materials from one format to another (i.e. face-to-face to online), assessing and analyzing current and emerging technologies related to online teaching.
- Create course design templates, models and tools.
- Attend division and general college meetings as well as participate in various division, college, and district committees related to online instruction and instructional technology.
- Through shared organizational decision-making process, evaluate, recommend and implement solutions related to program/course development, new design, technology adoption, initiative or change implementation.
- Maintain current knowledge of issues and concerns under discussion in the profession nationally and internationally.
- Develop and offer online student orientation materials for students wishing to study online.
- Assist in overseeing student workers.
- Participate in program review and revision and in the development and assessment of Program Learning Outcomes.
- Coordinate Online Faculty Mentor program.
- Provide support to Deans and peer evaluators for online course evaluation.
- Perform other duties as assigned by the Vice President for Instruction.

Desirable Qualifications:
Bachelors or Master's degree in education technology, instructional design or related field or a Master's degree in an academic discipline and extensive experience with online teaching and technology.

Three years of cumulative online teaching experience (community college experience preferred), completion of an accredited online teaching certification program, or equivalent training within the community college system, knowledge of current theories and methods in online instruction, familiarity with Web 2.0 technologies, and understanding of online course accessibility issues and online copyright law.

DESI RABLE FACULTY CHARACTERISTICS
- Enthusiasm for the distance learning process.
- Vision and energy to plan and organize programs to enhance student success.
- Willingness to participate effectively in shared governance.
• Ability to use innovative technologies as a teaching and/or student service tool.
• Personal qualifications such as effective interpersonal communication skills, participation in community affairs, ability to conduct effective public presentations.

Closing Date: Friday, May 17, 2013 no later than 11:50 PM

Selection Procedures
Applications are accepted online at:
www.yosemite.edu Choose: Job Announcements
Search Jobs, Apply to this Position

Electronic application materials must be submitted/certified no later than 11:59 PM on the closing date of Friday, May 17, 2013.

The following should be included:
1. A YCCD Faculty online application.
2. A personal letter of application outlining instructional philosophy.
3. Resume or Vita.
4. Unofficial transcripts.

Applications will be reviewed by a screening committee, which will select candidates to be interviewed. After interviews, a recommendation will be forwarded to the President, Chancellor, and Board of Trustees.

Official offer of employment may be extended only by the Chancellor or Vice Chancellor, Human Resources.

Federal law requires that the district employ only U.S. citizens and aliens authorized to work in the United States. Written verification of employment eligibility is required.

A background investigation of new employees is required, including reference checks and a state criminal history report. The cost for the criminal history report will be the responsibility of the successful candidate.
