Get smart about math!

**Intro to Math Cluster**
To prepare for MATH 19 and/or MATH 20, register for MATH 911. You’ll complete a quick diagnostic to determine what skills you need to polish in order to succeed in those courses. Then, you’ll complete the series to build the math skills you need — at your own pace!

**Pre-Algebra Cluster**
To prepare for MATH 29 and/or MATH 30, register for MATH 921. You’ll complete a quick diagnostic to determine what skills you need to polish in order to succeed in those courses. Then, you’ll complete the series to build the Pre-Algebra skills you need — at your own pace!
