CLO, PLO, GELO, ILO Assessment, Program Review, and Curriculum Five Year Cycle

The Academic Senate recommends a general policy that all regularly offered courses have their respective CLOs assessed twice in a four-year period, followed by program review and curriculum updating.

During the first two years, CLOs for all courses in a department are assessed once.

In the third year, program, general education, and institutional learning outcomes (PLO, GELO, ILO) assessments are completed. Additionally, the second rotation of CLO assessment for all courses in a department is initiated at the beginning of the third year and completed at the end of the fourth year.

The second CLO assessment is followed by a one year (two-semester) period that includes a second round of PLO-GELO-ILO assessment, program review, and comprehensive curriculum updating.
