

MJC Educational Master Plan Development 2016

The Educational Master Plan (EMP) will be linked to the four strategic directions adopted by the MJC College Council

Strategic Direction 1 - The College transforms lives through **programs and services** that demonstrate **measurable student achievement**

Strategic Direction 2 - The College builds and sustains an **innovative, educational community** characterized by **collaboration, learning, growth, and diversity**

Strategic Direction 3 - The College offers flexible and responsive programs to meet **educational workforce needs** measured through **program changes**, adaptations and **technological upgrades**

Strategic Direction 4 - The College stewards **resources** and advances practices to improve and sustain institutional effectiveness in support of **accountability**

1) What stands out to you when looking at these data?

2) What makes MJC unique? What are our greatest assets?
