

Instruction Council Report

On October the 17th the Instruction Council made the following recommendations to the College Council, except for the last two positions. These are addressed below.

Retirement Position	Replacement Position	Division	Approved
Mathematics	Mathematics	SME	Yes
Art	Art-Sculpture and Design	AHCO	Yes
Art	Art-Drawing	AHCO	Yes
Accounting	Accounting	BBSS	Yes
English	English	LLA	Yes
Nursing	Nursing	ALHE	Yes
Nursing	Nursing	ALHE	Yes
Nursing	Nursing	ALHE	*
ESL	Spanish & Romance Lang	LLA	**

* This position was identified as a one-year temporary placement that follows a local process. It was removed from the college-wide process for replacing full-time tenure tracked positions and referred back to Allied Health for their local process.

** This position saw substantial discussion regarding whether it met this year’s IOR priorities for hiring. The following motion was passed with all yeah votes and one abstention:

“ . . . that the position of Instructor of Spanish and Romance Languages be pulled and sent back to the division for reconsideration in light of the Instructional Outlook Report priorities and the evidence presented in the memorandum presented by Dr. Jennifer Hamilton to Instruction Council.”

The Literature and Language Art Division will now discuss this position in light of these concerns and make a recommendation to the IC at the November 14th meeting with the second wave of on-cycle replacement that accepted the YCCD/YFA retirement incentive.

Rob Stevenson
Faculty co-chair of the Instruction Council
