

The **Outcomes Assessment Workgroup (OAW)**, a workgroup of the Academic Senate, helps to facilitate continuing assessment process and dialogue across the institution. The OAW is comprised of faculty representatives and deans from all divisions, the MJC SLO Coordinator (Chair), and an Assessment Support Specialist. Their charge is specific:

Outcomes Assessment Workgroup (OAW) Charge

The Outcomes Assessment Workgroup (OAW) will:

- Facilitate continuing assessment processes across the college.
- Train faculty, staff and administrators in writing and assessing learning outcomes.
- Receive and disseminate assessment data from the course, program, service area, administrative unit, and institutional levels.
- Compile, organize, and summarize report data and findings in an annual assessment presentation, delivered to appropriate councils, committees, units and the Board of Trustees.
- Facilitate dialogue concerning outcomes assessment across the institution, including departments, divisions, programs, service areas, and administrative units.
- Assist departments, divisions, programs, service areas and administrative units in maintaining and refining assessment plans and/or processes.
- Make recommendations to the Academic Senate and college councils regarding outcomes assessment policies and processes.
