

Modesto Junior College  
Academic Senate  
Resolution: FL10-D  
Faculty and Staff Leadership Participation at MJC Institute Day

Proposed by: Yosemite Faculty Association Representative Council.

Whereas: The college has a long history of including the Academic Senate President on the Institute Day agenda to speak for a few minutes to the college community; and this privilege was extended to the YFA and CSEA Presidents in 2005 in due course in order to include all three presidents of the faculty and staff organizations on the MJC Institute Day agenda; and

Whereas: The YFA Representative Council has passed a motion to request that the Academic Senate reinstate all three presidents back into the Institute Day agenda, and the CSEA leadership has reviewed this resolution and approved it; and

Whereas: While college faculty and staff appreciate the comments and vision shared on Institute Day by district and college administrators, they also would like to hear from their own faculty and staff leaders; and

Whereas: Institute Day is one of the few venues where a leader can speak to the greater college community on important subjects with all constituent groups in the same auditorium.

Therefore: Be it resolved, that the Academic Senate direct its Professional Development Committee to reinstate faculty and staff leadership back into each MJC Fall Institute Day agenda.
