

MJC ACADEMIC SENATE
Resolution SP03-C
Memorandum of Understanding: Equivalency
January 30, 2003

Proposed by: Rich Hickman

Whereas: the funding cuts proposed for the California Community College System in the Governor's January 10, 2003 budget message would, if enacted, be extraordinarily damaging to the system and to Modesto Junior College, and

Whereas: the task of serving the students of the college in the face of these cuts will demand increase productivity from the faculty of the college, and

Whereas: determination of minimum qualifications by equivalency then is normally warranted, and

Whereas: equivalency procedures for our district have resulted from consultation between the administration of the district and its academic senates,

Therefore: be it resolved, that the Academic Senate approves and agrees to a memorandum of understanding on equivalency that is hereby include by this reference.

First Reading: February 6, 2003

Final Action: February 20, 2003

Disposition: Carried

Forwarded to College Council for consideration.
