

**MODESTO JUNIOR COLLEGE
ACADEMIC SENATE
APRIL 16, 1997
RESOLUTION: SP97-H:**

REVISED PRIORITY REGISTRATION SYSTEM

Proposed by: Executive Committee

WHEREAS, a college that fosters student success must communicate the value of learning and responsible student behavior throughout the fabric of its community through explicit standards and expectations, and

WHEREAS, a student's place in the registration process is highly valued, it is important that the priority system that is used be equitable and directly related to responsible student behavior that uses educational resources wisely, and

WHEREAS, the College Success Implementation Plan adopted by the Academic Senate calls for revising the registration system to reward student success, and

There is to be no priority assigned other than that which is outline in this document.

WHEREAS, the College Success Committee recently adopted the attached Priority Registration System and recommended implementation;

THEREFORE, BE IT RESOLVED that the attached priority registration system be adopted and the necessary steps be taken to implement the new process as soon as is possible.

First Reading: May 1, 1997

Final Action: Approved 8/28/97

Disposition: Carried, as amended
