

**MODESTO JUNIOR COLLEGE  
ACADEMIC SENATE  
RESOLUTION FL97-F: SUPPORT OF TRANSFER GUIDE TO MAJORS**

**PROPOSED BY:** Lew Mayhew

**WHEREAS,** A primary function of MJC is providing lower division education for students planning to transfer; and

**WHEREAS,** The most difficult, yet essential part of providing students with accurate information about lower division course requirements is determining the equivalent preparation for specific majors at specific universities; and

**WHEREAS,** It is essential to have this information in a single document that is easy to read and that facilitates providing this information to students in an educational context that allows them to compare the lower division major requirements of different transfer institutions; and

**WHEREAS,** The College has for over 18 years developed and published the Transfer Guide to Majors which meet the need in an exceptionally useful manner; and

**WHEREAS,** The Transfer Guide requires updating every year and a modest commitment of institutional resources;

**THEREFORE,** **BE IT RESOLVED** that the commitment of sufficient District Resources to continue the preparation and publication of this document be considered an MJC Institutional priority; and

**THEREFORE,** **BE IT FURTHER RESOLVED** that the Academic Senate use its oversight responsibility to see that sufficient matriculation, transfer or other fund are obtained and used to continue the preparation and publication of the Transfer Guide to Majors on a yearly basis.
