RESOLUTION FL97-P: NON-CREDIT MATRICULATION**

- WHEREAS,** such appropriations represent the first time that non-credit matriculation has been funded and, indeed, the 1997-98 funding was not based on a proposal by the community college system and thus no plans exist for its expenditure, and

- THEREFORE,** be it further resolved that the Modesto Junior College Academic Senate urge the Board of Governors to modify its 1998-99 non-credit matriculation budget change proposal (BCP) from a 1:3 state: district match to a 1:1 match in line with the 1997-98 legislative budget language, and
- THEREFORE,** be it further resolved that the Modesto Junior College Academic Senate urge the Board of Governors to include in its requirement for expenditure of non-credit matriculations that districts be prohibited from supplanting existing funds and be required to report how both the state appropriation and district match are spent, and
