GLOSSARY OF COLLEGE TERMS

activities requirement: a course requirement of some associate degree candidates that asks students to enroll in a formally recognized "Activities" course (p. 104) with the goal of having a specific type of learning experience.

advanced standing: Classification of student who has completed previous college-level coursework.

articulation a formal, written and published agreement that identifies courses (or sequences of courses) on the MJC campus that are comparable or acceptable in lieu of specific requirements at another campus, often called the "transfer" or "target institution." Successful completion of an articulated course assures the student and the faculty that the student has taken the appropriate course, received the necessary instruction and preparation, and that similar outcomes can be assured enabling progression to the next level of instruction at the transfer institution.

assessment: tests completed by the student to help counselors and advisors determine the student's skill level in the disciplines of reading, writing, and mathematics.

associate degree : (AA, AA-T, AS, AS-T) a collegiate degree granted by California Community Colleges that, in addition to coursework in the major, includes "general education" coursework across the curriculum to provide the student a broad educational experience . To learn more about degree options, read the "Planning Your Education" section starting on p. 85.

associate degrees for transfer (AA-T, AS-T) degrees designed to facilitate seamless transfer to the California State University system.

admission: the formal process of becoming a student at MJC. Separate from registration.

audit: to take a course without receiving credit, a grade, nor formal record of enrollment. Typically used in instances where a student may want to review course material of a course taken previously. Available only to those students who have met the repeat limitation on an existing course.

baccalaureate degree: formal name of the bachelor's degree.

bachelor's degree: Degree granted by four-year colleges or universities. Commonly granted as the Bachelor of Arts (B.A.) or the Bachelor of Science (B.S.), however, other types of bachelor's degrees can be granted as well.

C-ID (California Course Identification number)

A common course numbering system in the State of California. A C-ID number identifies a lower-division, transferable course commonly articulated between the California Community Colleges and universities (including Universities of California, the California State Universities, as well as with many of California's independent colleges and universities).

certificates of achievement: An award in recognition of successful completion of specialized coursework in an area which is typically oriented toward gaining skills for employment in a specific vocation or trade.

class schedule: The offering of courses for a given semester.

community education classes: Fully fee-funded vocational and recreational classes that do not appear on a student's transcript and carry no credit value.

counselor: a person whose training and primary role at the college is to assist students with personal, career, vocational and educational planning and development.

corequisite: a course which must be taken in the same semester (concurrently) as another course. In some cases, taking the course prior to is acceptable.

credit (graded) course: Course for which units are granted. At MJC, any course numbered 1 through 399.

CSU-GE: Acronym for the "California State University" general education pattern required of students who plan to earn a bachelor's degree. This pattern can be used for transfer to the CSU.

educational plan: A tentative outline of MJC courses, developed by the student and/or a counselor, that a student will plan to take in order to meet the a specific educational goal.

electives (degree): degree-applicable (50-399) courses elected by the student which do not fulfill a specific degree requirement but help satisfy the required 60 units for associate degree.

electives (major): course options listed within a given major that the student may select to apply toward the degree.

faculty advisor: An instructor who assists students in developing a program of study within a major. Contact the division office of the major to connect with the appropriate advisor.

general education (GE) or breadth patterns: Courses required of all associate degree candidates regardless of major to assure a broad educational experience. These differ for the A.A. and A.S. degrees and for transfer. See Instructional Programs for specific requirements.

guidance requirement: a requirement for some associate degree candidates in which the students are asked take a formally recognized guidance course (p. 104) in order to work on an educational plan and learn about the college experience and other helpful concepts to improve their learning experience in college

grade point average (GPA): The average of a student's grades. See Academic Regulations for method of computation.

IGETC: Acronym for the "Intersegmental General Education Transfer Curriculum" general education pattern required of students who plan to earn a bachelor's degree. This pattern can be used for transfer to UC or the CSU.

lab (course format): a type of instruction in which the student is active in the learning process as the instructor oversees activities, e.g., using a computer, experimenting with elements, using a microscope.

learning outcome: a statement defining the expected outcome of a student satisfactorily completing a course, award, General Education pattern, or attending Modesto Junior College.

lecture (course format): a type of instruction in which the student typically observes the instructor e.g., speaking, giving an electronic presentation, asking questions to provoke discussion.

limitation on enrollment: a specific rule that defines what type of student may enroll in a course. Course enrollment can be limited to students with demonstrated abilities, medical clearance, and legal clearance.

lower division: The first two years of college work, typically defined as, freshman and sophomore years, for a bachelor's degree. By law only lower-division work can be offered at a community college.

major: The program of study a student plans to pursue e.g., biology, nursing, etc., which can culminate to an associate degree, baccalaureate degree, or an advanced degree.

materials fee: a fee charged to students to cover the cost of materials used in a given course

matriculation: A process that enhances access to the college and promotes students to reach their educational goals successfully.

non-credit (ungraded) course: Course for which no units are given. At MJC, any course numbered 800-999 is non-credit.

pass-no pass (P/NP) grading: A grading system allowing a course to be taken for a grade of PASS or NO PASS. rather than for a letter grade of A,B,C,D,F. See Academic Regulations for details. Formerly referred to as "CREDIT/NO CREDIT" or CR/NC.

PiratesNet: MJC's website that allows students and prospective students admission to the college through an online application, to search and register for classes and check grades.

prerequisite: A requirement which must be completed prior to enrollment in a course. If required, it is listed in the course description. See section on Courses.

registration: the formal process of selecting and enrolling in MJC courses in a given semester.

semester unit: In general, a semester unit represents 1 hour of lecture or 3 hours of laboratory per week for a semester. Graduation requires 60 semester units. Some schools are on "semester" systems, and some schools are on "quarter" systems. One semester unit at MJC is equivalent to one and a half quarter units of coursework at a "quarter" system institution.

skills recognition: an award recognized by MJC that does not appear on the student's transcript

syllabus: a document prepared by an instructor for students in a given course, defining what will be covered in the course, and outlining expectations and policies in some instances. Often includes significant dates of examinations and other key events.

transfer: to complete a set of courses at MJC or another community college and continue as a student at another

college or university. Typically occurs when students earn an associate degree and enroll at another institution to earn a bachelor's degree.

transcript (of record): Copy of student's academic record prepared by the Enrollment Services division. Often required for transfer or employment by another institution.

upper division: The last two years of college work, i.e., junior and senior years and/or courses. Upper division courses are not offered at MJC

withdraw: to formally remove one's self from a given course.
