school/college transcripts
that are submitted in sealed
envelopes by the transmitting
institution.

IMPORTANT REMINDER:
It is important that students maintain
accurate mailing addresses with the
college. With increased costs of postage,
colleges can waste many dollars when a
student mailing is returned because of a
"bad" address.

Beginning with the end of the Fall
Semester, when a piece of mail is
returned to the college because of a
"bad" address, a hold will be placed on
the student record until the address is
corrected.

You can check the address the college
has on file for you by going to the
PiratesNet and clicking on "My Profile."
If you need to correct your address,
please present a picture identification
at any of the following offices the next
time you are on campus: Admissions,
Records, Welcome Center, Business
Office, or the Financial Aid Office. Keep
your address current!

Please keep your mailing address
current.
