Online Meeting

Information Exchange:

1. Traveling office hours: Rhonda and Nita have been making the rounds, and we're left with visiting two divisions: SME and Technical Education, which we'll visit next week.
  - a. SME will be in the lobby area near SCC 134 (west campus)
  - b. Technical Education will be in Sierra Hall 235 (west)
2. The first data load has been done, and the final load will be done after the final drop date. Rosters will match after this upload.
3. As discussed, we begin by reviewing our PLOs according to Bloom's Taxonomy:

Process:

- Read through the PLO statements
  - Match with Bloom's Taxonomy (Revised)
  - Discuss edits
  - Vote on edits
  - Send recommendations to departments for approvals
  - Save approvals in a document for input into eLumen in the spring
4. New schedules for the 2019-2021 cycle: Email to division deans (and OAW reps) were sent out; after Oct 18, Rhonda and Nita will need to create the schedules that were never submitted. Divisions will be informed of the new schedules that needed to be built.
  5. Questions by members
