### Creating a Password

On the login page, click on “**Forgot Password?**”

The image shows a screenshot of the eLumen login page. At the top, there is a logo consisting of a yellow sunburst above the word "elumen" in a blue, lowercase, sans-serif font. Below the logo is a white login form with a light gray border. The form contains the following elements: a "Username:" label above a text input field; a "Password:" label above a text input field; a blue "Login" button; a checkbox labeled "Remember my username"; and a link labeled "Forgot Password?". A blue arrow originates from the text "Forgot Password?" in the instruction above and points to the "Forgot Password?" link in the form. At the bottom of the page, there is a small, faint version of the eLumen logo.

You'll get a pop-up request. See image on page 2.
