### I. Nita's update to OAW

- An average of fall 2015 & spring 2016 assessments = 57%
- Canvas shell (please encourage your divisions to access)
- Booklet sample
- Data upload is happening to test site
- Lots of assessment labs have been set up for the end-of-the-semester data entry
- I'm working on some housekeeping within eLumen with the hope that we can get divisions to map soon in spring 2017.
- Mike and I are working on the integration of Canvas and eLumen on the test site, and the idea is to get the production sites ready for spring-2017 end-of-the-semester assessments
- Am working on the paperwork for the stipends

### II. Discussion:

- Updating the divisions with assessment information at division meetings
- Initiating departmental trainings sessions
- How to initiate ILO/PLO discussion days? What days would you recommend?
- Your topics/ideas for discussion

### III. Input: Your experiences this semester—where are the gaps? What can I/we do?
