

Special Part-Time Petition for Advanced Admission

Must be at least 13 years old. A new petition is required each semester.

Please read the following information carefully. Complete the Special Part-Time Petition on the reverse side for eligibility at MJC.

MJC has an open agreement with local high school districts to enroll high school students in college classes.

Eligibility Requirements

Dual Enrollment students are permitted to enroll in a maximum of 11 units each semester. Enrollment in more than 11 semester units requires approval by the high school principal and MJC designee. Students are now able to enroll in non-credit and non-degree applicable courses, excluding physical education courses.

To be considered for admittance as a special part-time student, the student must meet the eligibility standards as established in Education Code Sections 48800 and 76001.

- Meet the academic prerequisites for the course; including the required placement level for any math, reading or English course.
- Ability to benefit from advanced scholastic or vocational work as determined by the Yosemite Community College Governing Board, which authorizes the President (or designee) to make such judgements.

In order to be approved for future semesters, concurrently enrolled students must be in good academic standing at MJC (defined as having a cumulative 2.0 grade point average). The number of W's in relationship to attempted units is taken into consideration.

Documentation Requirements

In order for high school students to enroll in college courses, the following is required:

- Submit online college application for admission;
- Submit a completed Special Part-Time Petition for Advanced Admission form with signed parental or guardian consent and principals signature;
- A parent or guardian of a pupil who is enrolled in a charter/home-school may petition directly without the signature of a principal and present a copy of the affidavit submitted to the State or County Office of Education to document the student's involvement in an educational process.

Students enrolled in 7th or 8th grade must submit a letter of recommendation signed by their school's principal.

Upon high school graduation each graduating senior, who enrolled in MJC classes as a high school student, must reapply as a "high school graduate" online. Failure to do so may delay registration for classes.

Enrollment Fees

MJC will waive the enrollment fees (for California residents established with California Law) of students who enroll as special part-time. Special full-time students, enrolled in more than 11 units, will be responsible for **all** enrollment fees (\$46 per unit), including out-of-state tuition.

All students are required to pay applicable semester fees which may include (fees are subject to change):

Health Fee - \$20 Fall & Spring, \$17 Summer	Student Center Fee - \$1 per unit
Student Activity Fee - \$10 (optional fee)	Student Rep Fee - \$2 (optional fee)
